## COURSE UPDATE

# JOIN US FOR IATF 16949:2016 Lead Internal Auditor

## OVERVIEW

This course options is available for transitioning IATF 16949:2016 Lead Internal Auditors or Internal Auditor team members who strive to conduct audits on their own and/or lead a group of internal auditors to conduct first or second-party audits as a Lead Auditor. This course is designed to increase your understanding of ISO 19011:2011 as well as the automotive process approach. Participants would be internal auditors in the automotive supply chain that intend on auditing by themselves and/or leading an internal auditing team (i.e. advanced auditors, current lead auditors, supplier auditors, etc.).

This class includes a combination of lecture, breakout sessions, mock auditing and other practical exercises. This class also includes two online exams for ISO 9001:2015 and Automotive QMS requirements in order to demonstrate competency (70% of higher required to pass).

**Day 1** – Overview Training

**Day 3** – Audit-Specific Training

**Day 2** – ISO 9001:2015

**Day 4** – Sector-Specific  
Requirements in IATF  
16949:2016
